Ways to Give

100 YEARS OF SERVICE, RELATIONSHIPS, AND SUCCESS! CALLING ALL SPONSORS!

Now it is our turn to **give back** to our **community** and the **charities** that are near and dear to our employees. Help us reach our **goal** in honor of our **100th year!**

In 2023, R.H. White will be celebrating its **100th Anniversary**. R.H. White would like to celebrate, with its employees and customers, the Company's achievements while supporting **three charities** that were chosen by our employees.

R.H. White will host a series of events in 2023 to thank our employees and partners, while fundraising and donating a **minimum of \$100,000** divided between three charities: **The Alzheimer's Association, The Greg Hill Foundation, and Easter Seals**.

**“Alone we can do so little;
Together we can do so much.”**

- Helen Keller

Our Goal

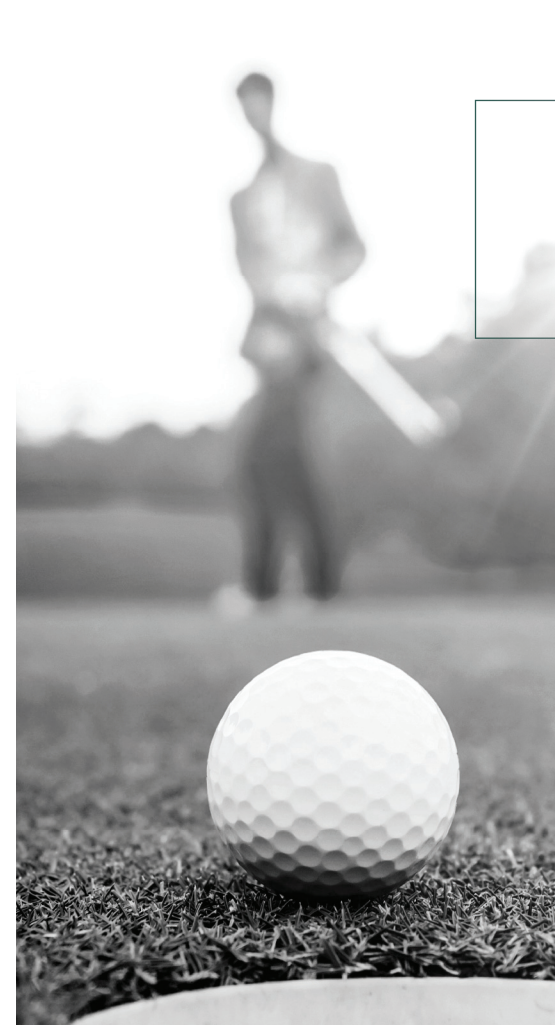

The Charities

The Alzheimer's Association leads the way to end Alzheimer's and all other dementia — by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.

Easter Seals' mission is to provide services that ensure children and adults with disabilities have equal opportunities to live, learn, work, and play. We have a strong person-centered approach to all services focusing on the power of unlocking every individual's full potential.

Greg Hill formed a foundation that would respond to the immediate needs of families that had been touched by tragedy. Feeling a strong obligation to communities that had supported his radio show, he has given back in countless ways through the foundation.
