As part of our year-long celebration of our 100th anniversary, R.H. White is raising money for three employee-selected charities with dedicated events for each. Our golf tournament is focused on the **Alzheimer's Association**.

Help us support Alzheimer's Association mission to eliminate Alzheimer's disease through the advancement of research, to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

Did you know that **6.7 million Americans are living with Alzheimer's disease**? By 2050, this number is project to rise to nearly 13 million. Help us take a swing at this disease which touches so many families by raising money to support Alzheimer's research and services.
